Faith,

That works for me; however. I want to see if it works for our 4(f) staff as well.

**Subject:** Honolulu Rail Section 4(f) Evaluation

Hi Everyone –

The Section 4(f) Evaluation for the project has been raised during several meetings of the Section 106 Consulting Parties by the National Park Service. In order to respond to this, I have scheduled a conference call for Monday, September 28<sup>th</sup>, 8:30 a.m. The call in information is as follows:

Call in number: 1-888-742-8686  
Conference ID: 1657330

My understanding is that the concern of NPS is regarding the schedule for their review of the Section 4(f) evaluation and how that relates to the completion of the Section 106 Programmatic Agreement.

Hope you can participate in the phone call.
